INFORMATION ABOUT YOUR WARRANTY COVERAGE

- Manufacturing defects are misprints - stripes - errors on the back, which are visible on the top, irregularities and so on, visible upon delivery.
- The warranty is valid for first quality articles only.
- The warranty is not valid for the results of neglect or misuse by strong detergents, chemicals and corrosive substances or stains from paints, mats, fertilizers or other similar materials.
- The warranty is not valid if sharp objects, burns, cuts or abnormal heavy loads have damaged the top layer.
- The warranty is not valid if there is fading or discoloration due to extreme heat.
- Warranty exclusions:
The **Flexitec** warranty specifically excludes the following: variations in color shading and/or embossing between the product sold and samples or color match from different production lot.

Installation:

Products improperly installed or dissatisfaction due to products installed with obvious visible defects or installed not in accordance with **Flexitec** recommended installation guidelines, including problems caused or contributed by use of non-recommended adhesives, seam sealer, underlayment and/or improper preparation to the substrate.

Damages:

Damages caused by household accidents (such as extreme flooding or fire), abuse (such as damage or indentations from spike or high stiletto heels, sharp objects and/or unprotected furniture legs)), extreme sunlight exposure and discoloration from excessive heat.

Floor Care:

- Dissatisfaction due to improper maintenance caused or contributed to by floor care products not recommended, resulting in loss of gloss or texture, dulling and/or fading.
- Discoloration caused by use of floor mats (latex or rubber back mats).
