

inhaus® Wood composite Luxury Vinyl Tile (WLVT) floors are among the highest performing floors available, but they are not indestructible and minor cosmetic scuffing is normal wear for any WLVT floors. To ensure your floors perform as well in the future as they do the day after you install them:

- Place walk off mats and area rugs at main traffic entrances and protective pads under furniture legs to prevent scratching.
- Vacuum or dust mop daily to remove loose dirt or grit.
- Use a spray bottle to apply cleaners to stained areas as necessary.
- Never flood the floor with water or cleaner; wipe up spills immediately.
- Do not use polishes, waxes or abrasive cleaners.

Removing Stains from Vinyl Flooring

Stain:	Remove with:
Rubber marks Heel marks, dirt Colored pens/crayons	Brush off when dry using a nylon pad or cloth.
Beverages (fruit juices, milk, wine, soft drinks, etc.)	Immediately wipe down with an absorbent cloth. If already dry, wipe with a suitable LVT flooring cleaner.
Pet urine Blood	Immediately wipe down with an absorbent cloth. If already dry, wipe down with a nylon pad and a suitable flooring cleaner.
Felt pens/ink Makeup Shoe polish, paints, oils, grease, etc.	Wipe down with a cloth and a small amount of solvent (i.e. acetone, vinegar, nail polish remover, or paint thinner)
Chocolate (and other food stains)	Use a suitable LVT flooring cleaner.
